## Ponte Vedra High School PTO Community Program Series

*Tuesday, November 15<sup>th</sup>*

*5:30-7:00*

*@ PVHS auditorium*

### Topic:

“Preparing students for the long run by parenting them to be GRITTY:  
resilient, perseverant, resourceful, and self-reliant.”

Presented by:

Edward C. Taylor, PH.D. P.L.

Edward C. Taylor PhD is a licensed psychologist and has received his PhD from the University of Florida. His clinical practice focuses upon integrating psychological and education services into cohesive interventions for children and families affected by learning challenges.

This is a meet & greet and both guardians and students are welcome!
