AGENDA TOPICS:

Welcome/Approval of September Minutes

Mrs. O'Brian welcomed members to the meeting and gave a brief overview of the September meeting regarding the plans for our courtyard beautification.

After a review of the September 2018 minutes, a motion was made by Eric Wendell to accept the minutes and seconded by Michaele Harried.

Testing Update & Presentation: Marisa Leonard, Testing Coordinator, presented members with an informative Power Point Presentation regarding testing information and updates. The presentation included important testing dates for the ACT & PSAT exams, and ongoing tutoring through math centers with monthly PERT testing opportunities.

Beautification Update: Nick Athanaseas, Maintenance Manager, presented members with a Power Point Presentation outlining our Campus Beautification Project. The presentation included layouts and designs of items being purchased for the courtyard - umbrellas, canopies, portable sound systems, painting of the breezeway and the Shark Logo.

This year we are using an outside vendor for the logo, but in the future, we will be asking for input from the Art students for designing murals. We are still waiting on a quote for the sound system and sod. The Big ASS Fan has not been installed yet; there were a few safety concerns that needed to be addressed prior to installation. District Capitol funds are being used to offset some of the cost for painting. Due to the time it takes for receive quotes and approval from the purchasing department, these projects will be completed in phases.

Dr. Oberkehr spoke on the need for students to be able to have a shaded area during lunch. The quote received for the courtyard furniture of \$20,000.00 was a lot more than we expected. We are looking for less expensive furniture, but we also need to make sure it will last.

Open Discussions/Announcements:

Dr. Oberkehr congratulated Mr. Reynolds on a job well done, PVHS were the Grand Champions at the Ocean of Sound event. We are also looking forward to our upcoming Christmas Carol production. ACT Profile Report, Dr. Oberkehr shared with members that information is not being released until October 16th, but PVHS is 40-50 points ahead of the State average.

Mrs. O'Brian, asked for a motion to adjourn the meeting. Eric Wendell made the motion which was seconded by Elizabeth Paul. Meeting adjourned at 5:10 p.m.
