**Now Accepting Applications
for 2019 - 2020 Program**

What is Youth Leadership St. Johns?

Youth Leadership St. Johns (YLSJ), a program of Flagler Hospital, is a series of fun and educational program days designed to give high school juniors a hands-on exploration of St. Johns County!

Participants of the program learn the importance of teamwork and gain a better understanding of what it means to be a leader. Following the two-day opening retreat, students put those teamwork and leadership skills to use as they discover many new sides of the county over the course of eight program days (like Law Day, Social Services Day, and Business Day).

Who can apply to Youth Leadership St. Johns?

Sophomores in any St. Johns County high school may apply for the program.
