(Doors open at 8 am)

The purpose of this orientation is to make the transition from middle school to high school a positive one. Seniors and juniors will be serving as leaders and mentors to the freshmen. Large and small group activities are designed to address students' needs and concerns in an enjoyable manner. This period of time between 8 am -12 pm has been designated for students only. This allows us the necessary time and resources to devote to the rising freshmen. We thank you in advance.
