

**Seniors:** They may begin returning any textbooks or library materials and pay fines beginning on Monday morning May 1st. Please return all materials to **the double blue doors of the textbook room**. Lockers must be cleaned out by May 11. Taking care of these matters now will speed up the process of getting your cap, gown, and graduation tickets on Senior Debt Day May 15<sup>th</sup>.

### **AP TEXTBOOK & WORKBOOK RETURNS**

Students should plan to return their AP textbook and/or workbooks on the day of their AP exam. Please return your AP materials to the **textbook room** outside the media center. The textbook room will be open at 7:30am during AP exams.

### **Underclassmen**

If they have textbooks they want to turn in, they can bring them to the media center before school, or starting May 1st if the textbook room is open they can bring them there, once the student no longer needs it for studying.

Please tell your students to be patient as the media center is closed most days for testing until May 23<sup>rd</sup>. We will do our best to have the textbook room open during the busiest times. Please remind students that there will be a scheduled locker clean out. All items must be out of the lockers by May 18<sup>th</sup>.
