Your School...Your Membership...Join Your PTO Today

The PVHS PTO is Here to Serve Your Students, Their Teachers and You. How?

1. We raise money mainly through this membership drive.
2. The PTO funds raised impact our school community by offering school improvement funds, student support (College Fair, Wellness Fair, Programs, Helping Hands, and Testing Hospitality), teacher grants, staff appreciation events plus parent socials and volunteer opportunities. The more the PTO is funded, the more we can do.

How You Can Impact Our School Community

1. Donate to your PTO by choosing one of the 2018-2019 Membership Levels listed below. Your contribution is important to our school community and we thank you by offering you the Membership Level listed gifts (while quantities last). The membership enrollment deadline is **September 28, 2018**.
2. Volunteer your time on one of the PTO committees.
