

We leave Friday! Here's the basic information for Grad Bash.

1. **Sign up for Remind** so Mrs. Popp direct you where the bus is located when you leave the park at 2 am.

2. **Your ticket will be given to you as you exit the bus.**

3. **Getting to Orlando**

We will start organizing to leave for Orlando between 3:45- 4:00 p.m. in the GYM. Please be prompt! The faster we're on the bus, the faster you get to the parks. After school you'll need to move your car to the Senior Lot...or top 40.

4. **Attendance...you must sign in with Mrs. Popp in room 625 once you are on campus on 4/5.**

You must be on campus for all of your scheduled classes. If you haven't checked in with Mrs. Popp by 4<sup>th</sup> period **you will be removed** from the bus before we leave. This is a very strict policy! Please see Mrs. Popp if you have any questions. \*Students who normally leave early will be REQUIRED to stay on campus until we leave. We have places for you to go and will be required to sign in.

5. **What to bring**

Not much! No food or drink is allowed on the bus so **have a snack before** we go! (water will be provided for you on the bus) There is food available for purchase at the parks, so bring some extra money.

You may **NOT** bring personal items on the bus, including:

- Large bags (larger than 8.5" x 11"/half a sheet of paper). You can keep your book bags in a secured storage location near the gym while we're gone. In case of car burglaries we encourage you not to leave personal items in your cars.
- Blankets
- Food/drink
- Medicine, unless already pre-approved (please be sure to see Mrs. Popp if you need to bring medication – the park has rules about labeling for all medicine brought in to the parks.)

Keep in mind that any belongings left on the bus will be unattended while we are in the parks.

6. **What to wear**

You should wear comfortable clothes – but school appropriate. Remember – no sports teams, school names, no gym shorts, or anything revealing. Universal Studios will stop you from entering the parks! **See the dress code sheet to confirm appropriate attire.**

7. **Getting back to PVHS**

We will explain how to leave the main parks and get to the busses once we are on our way to Orlando (sign up for remind). We will leave the park between 2:15-2:30 am. The trip is approximately 2 ½ hours, so we expect to arrive back **no later** than 5:15 am. If someone is picking you up please let him/her know you will call when we're close to home!

Students may reach school chaperones any time during the night. There are chaperone stations throughout the park and we may be reached at the locations at any time.
