Shark Family,

Ponte Vedra High School is excited to announce that Steve Price will be our new Head Football Coach. Coach Price brings a wealth of knowledge and experience to our school and football program. Coach Price was born and raised in a coach's family and moved between Pennsylvania, Minnesota, and Wisconsin during his formative years. He enjoyed a successful high school and collegiate football career. Since college graduation, Coach Price and his family have resided in Georgia and Florida. He has been the head coach at four separate schools during his 28-year coaching career. He has guided three separate schools to state championship games. In the four championship games that he has coached, Coach Price's teams have a record of 3-1.

Coach Price and his wife Jodie have three children: Alicia (21), JT (19), and Trooper (16)

During the interview process, Coach Price talked about creating relationships founded in trust and open communication and helping the young men in our football program develop into leaders in our building and community. Coach Price also shared his vision of collaborating and working with the school, current coaching staff, student-athletes, booster club, and community to continue and elevate our winning tradition.

I am looking forward to watching him bring stability and leadership to our program. Coach has already been hard at work. In the past few weeks, he has started to build our coach staff by meeting with all current coaches, working with the Athletic Department to plan the football schedule for the upcoming spring and fall seasons, assessing the team's equipment and supplies, and meeting with our county's Human Resources Department to be cleared to be a Physical Education Teacher and Football Coach at Ponte Vedra High School. Coach Price will start work at Ponte Vedra on Monday January 25th.

Coach Price will be hosting a student-athlete and parent meeting on zoom. Details are listed below. Due to COVID, an in-person meeting with parents cannot be held. However, Coach Price will be attending various athletic events this winter and spring. Come show your support for your fellow Sharks and meet Coach Price.

Topic: Meet the Coach – PVHS Football

Date and Time: Monday 1/25/2021 @ 6:00pm **Location:** Zoom

Meeting ID: 993 9098 7729 **Passcode:** sharks1
