Equipping Students with More Tools to Find Best-Fit Colleges

The SuperMatch college search tool within Naviance makes it even easier for students to explore their options and discover colleges that are a match with their academic profile and a fit with what they're looking for in a college experience.

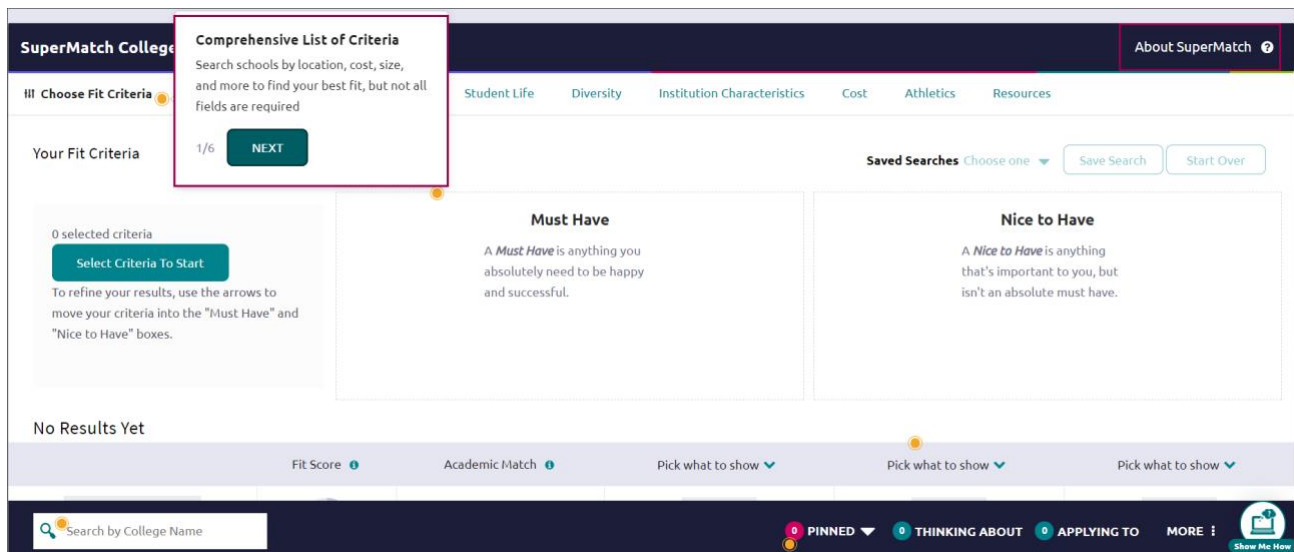

## Using SuperMatch

SuperMatch can be found by navigating to **Colleges > Find Your Fit**.

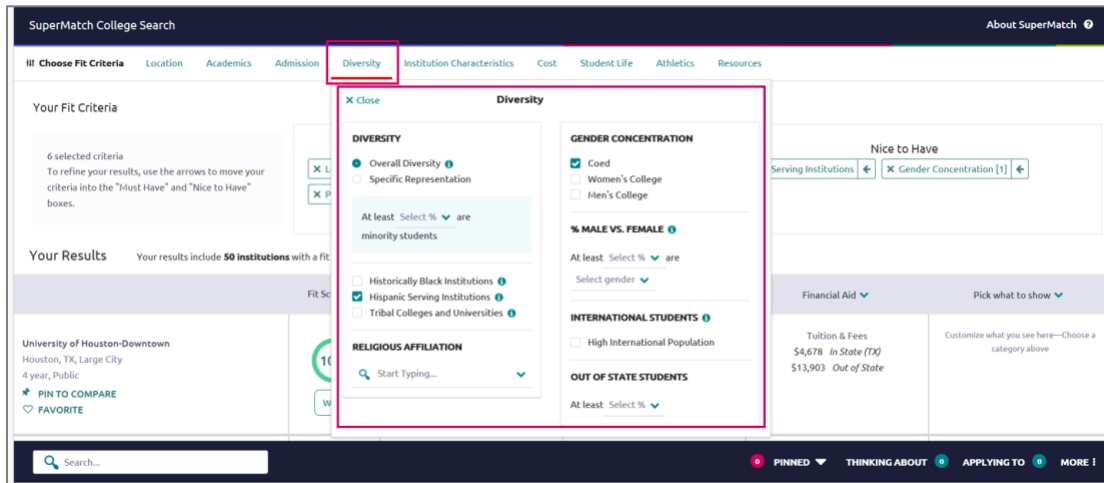

## Quick Tips

On your first visit to SuperMatch, you will be guided through a series of quick tips that will help you navigate the search tool and understand its key features. Also, clicking on the **About SuperMatch** link in the top right corner of the page will relaunch the quick tips should you get stuck and need assistance.

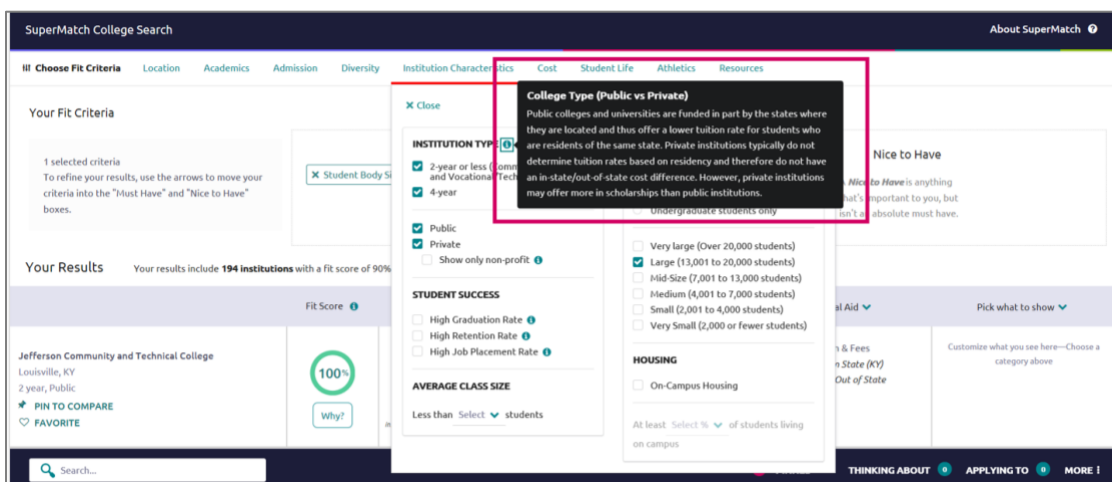

## Selecting Fit Criteria

1. Use the **Choose Fit Criteria** navigation menu at the top to select criteria based on what you are looking for in your college experience. You do not need to select something under every category; only select the criteria which are most important to you.

2. Click on the **Tool Tips** icon  located throughout the search tool to read definitions for common concepts and terminology.

3. As fit criteria are selected, they populate in the **Must Have box**. You can also move criteria between the **Must Have** and **Nice to Have** boxes depending on level of importance to you. Moving your criteria between these two categories of importance will refine the college search results below.

## Search Results

Institutions with the highest **Fit Score** will always appear at the top of your list. To see your **Fit Score Breakdown** based on the criteria you selected, click on the green **Why?** box located under the **Fit Score** percentage.

The screenshot shows the Naviance SuperMatch College Search interface. The top navigation bar includes Home, Self-Discovery, Careers, Colleges, and Planner. The main section is titled 'SuperMatch College Search' and has tabs for Choose Fit Criteria, Location, Academics, Admission, Student Life, Diversity, Institution Characteristics, Cost, and Athletics. Under 'Choose Fit Criteria', there are sections for 'Your Fit Criteria' (4 selected criteria) and 'Must Have' (Location [8], Major [Any], Campus Surroundings [1], Student Body Size [3]). The 'Your Results' section shows 30 institutions that match all criteria. A table lists institutions with columns for Fit Score, Academic Match, and Highlights. The University of Scranton is highlighted with a 100% Fit Score and a green 'Why?' button. A red arrow points from the 'Why?' button to a 'Fit Score Breakdown' modal window on the right. The modal shows the user's Fit Score (100%), the institution's details (University of Scranton, Scranton, PA, 4 year, Private nonprofit, Roman Catholic), and a breakdown of the 'Must Have' criteria (4 out of 4 are a match).

GPA, SAT, and/or ACT scores will be pre-populated as part of the Admissions fit criteria, if available within Naviance. If not available, you can enter your information to see how you compare to institutional averages in the **Academic Match** column. Note: GPA's are converted to a 4.0 scale.

By clicking on the green arrow next to the results table headings, you can also pick which content appears in the results table.
