St. Johns River State College DE

- Dual Enrollment at SJRC allows you to take college courses, for FREE, while you are attending high school.
- DE Courses are weighted on a 5.0 scale, like AP courses, without the AP Exam.
- DE Courses are College courses, and many have a 'final' style exam within the course.
- DE Courses at SJRC are usually transferrable to any Florida Public college or university, and most credits will transfer to out of state schools also. It is your job as student & parent to contact your desired institution and discuss DE transfer credits.

FAQ's

- *What is my DE Eligibility at SJR?* - You can take DE classes for 3 years in HS, grades 10-12.
- *How many hours can I take in 1 semester?* – Fall and Spring semester 10 DE credit hours, Summer you can take 2 classes total, regardless of credit hours.
- *Who do I reach out to if I have a problem?* - If you have questions/problems during the enrollment process, see your School Counselor. Once you are enrolled, all questions/problems must go through the SJRSC DE program.
- *What if I sign up and want to drop?* - If you are in the Add/Drop window you can drop with no penalty. After the add/drop window you will get a **WITHDRAW on both your SJRSC and PVHS transcripts.**

PVHS School counselors role in DE

- School counselors at PVHS are NOT college counselors or admissions officers.
- PVHS School Counselors can have discussions with students about how specific DE classes can affect their GPA, High School Graduation requirements, and High School Transcripts.
- Ultimately, Dual Enrollment courses are COLLEGE credit. PVHS school counselors will not track down students for paperwork or provide college counseling to students. College courses are the decision of the student and parent/guardian.
- If the student/parent/guardian have concerns on how DE courses will affect future college/university standings, it is the responsibility of the student/parent/guardian to reach out to preferred schools to find out their requirements or policies.
