for additional
information

WHY CAPSTONE?

- Analyze topics through multiple lenses to construct meaning or gain understanding

- Plan and conduct a study or investigation

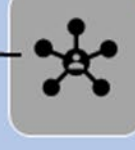

- Propose solutions to real-world problems.

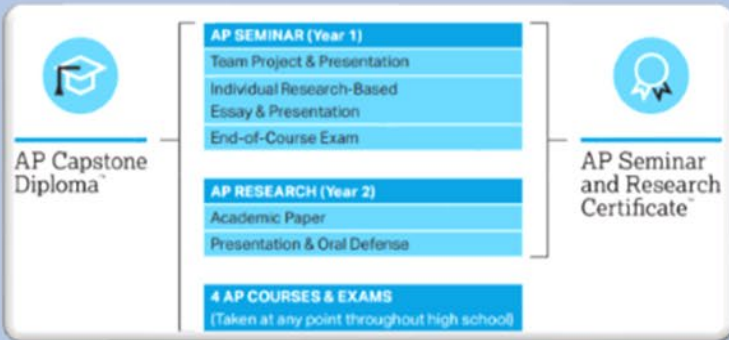

- Plan and produce communication in various forms.

- Collaborate to solve a problem.

- Integrate, synthesize, and make cross-curricular connections.

Courses come in 4 sizes

- Standard - satisfies all Florida Graduation requirements.
- Honors - faster paced and more rigorous than standard.
- Advanced Placement (AP) - College level courses. Potential increase in workload, advanced reading and writing, more independent. AP Exam in May.
- Dual Enrollment (DE) - Actual college courses taken through UNF or SJRSC. Can be virtual, on PVHS campus, or on the college campus.

Honors/Accelerated Criteria – SJCS

- A student currently enrolled in an Honors/Accelerated course is eligible to continue placement in an honors course if he/she has earned a Level 4 or 5 on State Assessments and at least a C in current honors/accelerated course.
- A student currently enrolled in a standard level course is eligible for placement in an honors course if he/she has earned a Level 4 or 5 on State Assessments or earned an A in current standard course.
- A student earning a Level 3 on a State Assessment can be considered for placement in an honors course if he/she has historical data to support placement or has received administrative recommendation.

SJRSC Dual Enrollment

Registration Process

1. Complete Online Application and obtain SJRSC student number (X#####)
2. Complete Parent Consent Form. Must include SJRSC student number.
3. Submit test scores- PSAT, SAT, ACT, or PERT
4. Complete Registration form. 2 Alternate courses REQUIRED
5. Turn in entire packet to PVHS counselor to send to SJRSC.

Dual Enrollment Reminders

- PVHS counselors are NOT SJR /College Counselors.
- PVHS counselors can discuss options for DE with students, however it is best to speak with an SJRC DE academic advisor.
- PVHS can do nothing once courses start. These are actual College courses.
- SJRSC communicates with the student, just like in college. Parents/guardians have no say in grades.

FCTC Dual Enrollment

request, NO petitions and NO changes to a
modified schedule accepted after this date.

Course Petition opens February 3 - May 16

Remember...

- Make course selections carefully based on student's strengths.
- DO NOT OVERLOAD!!!
- It is important to take challenging courses but also be realistic when considering all obligations.
- Virtual options are available to students during the school day.
- Remember that the master schedule is built, and teachers are hired, based on course requests.
- Changes once the school year has started may NOT be possible. Schedule changes mid-year are not permitted.

PVHS Course Catalog

- 2025–2026 PVHS Course Catalog is posted on the school website on School Counselors' page.
- Course Descriptions are embedded into the catalog. It is designed to help with the selection process and answer specific questions pertaining to each course.
- Review carefully.
- The catalog answers many questions and offers course descriptions to help in the course selection process.

Registration Tips

- Select 6 Elective Courses in order of preference. All 6 electives will not be on the student's schedule, but we cannot guarantee the first-choice elective.
- Students should NOT choose an elective they absolutely do not want... they could get it!
- Back to school orientation information will be shared in the early summer.
- First Day of High School is August 11.
