

Good morning Shark Families:

Day one of online learning is now behind us. Despite some technical difficulties, I am very proud of your support, our student's efforts, and the work of our teaching faculty and staff through this crisis.

As you may now be aware, schools will remain closed through May 1, 2020. Therefore, all scheduled events in the month of April are cancelled. We are truly disappointed, especially for our seniors. We are considering ways to recognize their efforts once we return to some sense of normalcy.

Lastly, please be cognizant that our online learning platform(s) should be considered equal to the classroom, and the expectations for student behavior remain unchanged.

Thank you for all you are doing to support your student's learning experience. We hope that you and your family and friends are well and stay safe through these challenging times. We do have administrative staff available on the school campus. Please do not hesitate to reach out with any questions or concerns.
