THE CHECKOUT PROCESS

Hello Shark Families,

We just want to send a couple reminders pertaining to students checking out of school early:

- Early Digital Release Forms should be sent in the morning. These forms can be found on our webpage under "Attendance"
- If you are picking up your child, please note that you must come into the front office to sign them out and present your driver's license.
- Please note that if a student will be driving themselves off campus, we will need to call a parent for verbal verification. Additionally, if you will please remind your child that they **MUST** come to the front office to check out and they **MUST** present their driver's license to be permitted to leave the campus.
- If you need somebody other than the parent/guardian to pick up your student, they must be listed in the system. We are unable to release students to anybody other than what we have on record.
 - **Please email jennifer.mitchell@stjohns.k12.fl.us if you need to add to your emergency contact list.**

Thank you for your attention to this matter. We understand that emergencies arise, but the process in place is important to the success of the front office.
