

# Are you confused with all the changes to College testing? How do you know when you should start testing? ACT or SAT - which should your student take?

Join your PTO for a FREE parent event on October 2 at 6:00 pm in the Auditorium. We will have a speaker from Revolution Prep give a presentation on all things testing. Mark your calendar and join us!

## Insider's Guide to college admissions testing

### PRESENTATION

#### Learn the inside secrets.

AP®, ACT®, IB®, SAT®, PSAT/NMSQT®...that's a lot of acronyms. Get an overview of all these exams. With the right information, your family can build a standardized testing plan today that drives success tomorrow.

#### During this presentation, you will discover:

How to decide between the SAT and ACT.

- When your child should plan to take the PSAT, SAT, ACT, AP, and IB exams to maximize college acceptance and scholarship options.
- What you and your child can do now, even as early as 6th grade, that can help them get into the college of their dreams.
