

CADY

Congratulations, senior

We are so excited to partner with CADY to capture this milestone because you deserve more than just a yearbook picture to celebrate this achievement.

At CADY, your senior portraits will be an experience.

When you visit the local studio, you will be photographed on 3D, built-in scenes—not on boring backdrops. The high energy music, encouraging staff, and effort that goes into your session will create an experience that you'll never forget. CADY encourages you to be photographed with props, your pets, and even encourage your parents to be photographed with you.

Check out all of their options to see what is best for you. And don't forget, CADY will send your selected image(s) to your school to be included in the yearbook if you are photographed by your deadline date.

Sign up as soon as possible as the best dates and times go fast!

- Choose the experience that is best for you: get a VIP experience with an Elite session (including options for hair/makeup styling and exclusive off-site destination scenes) or go with a more simple experience if you are looking for the basics.
- Session fees do NOT include prints or products, but there are several purchasing options available after you have completed your session.
- If you select a Traditional session, your proofs will come in a beautiful leatherette portfolio that can be purchased. If you go with a Elite or Most Popular session, the VIP experience continues when you come back to the studio for your photo presentation. At this time, a CADY presenter will help guide you through the photo selecting process and assist in getting customized products ordered.

If you have any questions, please feel free to call CADY directly at 678-722-3449.

Congratulations, Seniors! We can't wait to see all of your beautiful photos!
