

HURRICANE ISLAND OUTWARD BOUND SCHOOL

MAINE COAST SAILING LEADERSHIP PROGRAM

July 11 - July 25, 2025

Explore the rugged shoreline and spruce-covered islands of the Maine coast, and join Hurricane Island Outward Bound for a summer you'll never forget!

This is your opportunity to seek fresh challenges in a unique marine environment and an intense team setting. With your crew by your side, you'll explore Maine's islands, climb its granite cliffs, and take in the beauty of the coast from a 30-ft. open sailboat. You'll learn beginning, intermediate, and advanced techniques in chart and compass navigation, small boat seamanship, weather observation, anchoring, and much more.

This 15-day expedition for ages 15-17 will focus on the development of leadership skills and push you to better understand your own personal leadership attributes through hands-on learning and participation. The skills you gain and strengthen, and the friendships you make, will prepare you for whatever challenge is next! **Deadline: April 16, 2025**
