

Ponte Vedra High School

2026–2027 Senior Parking Registration

Early parking registration for the Class of 2027 Seniors will open through Schoolpay from **May 27, 2026 through June 30, 2026.**

Only students eligible to access Schoolpay at that time can complete and register their vehicle information. A complete list of those students will be posted outside the Dean's Office.

Registration Information

- Eligible seniors may complete parking registration online through Schoolpay.
- Students may register the vehicle they plan to drive most often.
- Vehicle information may be updated at the start of the school year if needed.
- Family vehicles may be registered temporarily until updates can be made.

Students Not Eligible for Early Registration

Students who are not eligible for early registration will schedule an appointment with their assigned dean during the week prior to school starting, beginning August 3rd through August 7th, between 1–3 PM, to discuss expectations of student behavior to receive the privilege of parking on campus.

Reasons a Student May Be Ineligible for Early Registration

- Excessive unexcused absences
- Excessive tardiness
- Discipline incidents
- Leaving school without permission
- Cutting classes
- Parking illegally on campus

Parking on school grounds is a privilege and not a right.
The above are some of the offenses (not all) that may result in a student having their parking privileges suspended or revoked.
No refunds will be given if parking is suspended or revoked.
